Congratulations...

to Fairbrae's swim team, the Manta Rays, for their victorious season and winning the league championship for a 3rd consecutive year. All members should be proud of how well our swim team has represented Fairbrae over the years. I know the swim team appreciates the support, use of the pool and patience of Fairbrae members while the swim team practices and participates in three home Saturday meets during the summer.

Fairbrae is trying to gauge the interest of having week-long camps for youngsters involving fitness, arts and games, utilizing our clubhouse and outdoor area for next summer. If you wish to provide input, learn more and/or

Fairbrae's Lifeguard/Gateguard of the month are:

June: **Justine Darmanian** lifeguard/**Heather Rohrer** Gateguard.

July: **Alison Rohrer** lifeguard/**Bobby O'Connell** Gateguard. Each received various gift certificates in appreciation of their hard work. I want to thank all our guards for their wonderful help during all of our BBQ's and our many special events. Fairbrae's lifeguards have been trained and are required to act in all emergencies. Please adhere to their requests when it comes to pool safety.

Pool toys are used until they become an obstruction in viewing the pool. If a lifeguard loses sight of any child because of a pool toy then that toy will be removed. Thank you for your support, Steve Chaney, Mgr.
