Volume 15 Issue 7

July 2008

Sunday August 10th...Fairbrae Olympics!!!

International Potluck..games..music...mayhem...

Each family will have the opportunity to represent a country of their choice (Flags will be distributed) and participate in games ranging from toddler tricycle races, free throws, inner tube races, ping pong, water balloon toss, biggest splash contest. Contact the office soon to secure a country of your choice. Each family is encouraged to bring a dish of their design to share with other members...drinks, utensils, napkins, stoves and BBQ's will be available for use.

Sunday August 31st..Tennis Tournament 4-8:30pm

Fairbrae will be hosting a doubles tournament in conjunction with our Labor Day BBQ. There will be two groups: group A (Competitive) and Group B (Social). For more information or to sign up contact our tennis instructor **Winston Lowe** or Steve at the office. Prizes will be awarded to first and second place finishers in each division.

Have you noticed our new sink and counter along the wall by the basketball court?..... if not, take a look. A big thank you to David Crewe and his boys for demolishing the old counter and thank yous to John Cwynar, Nick Steinmeier, Pete Kolda, Joel Amzallag and Bruce DaRos for their time in cleaning, prepping and painting the wall for our new counter.

Congratulations to...

Fiona O'Connor for being awarded the lifeguard of the month for June and to **Simone Cwynar** for being awarded the gateguard of the month. Fiona and Simone have been mentioned by members as not only being professional but helpful and pleasant in their work. Both were rewarded with gift certificates and recognition at our monthly training session. Input from members on our staff is appreciated either by email, voice mail or suggestion box.

Board of Directors:

MEMBER SPOTLIGHT

Fabio and Cynthia Rupp

Fabio and Cynthia Rupp have been Fairbrae members since 2005. They have 3 sons, Sebastiano, Alessandro and Stefano who is on Fairbrae's Manta Ray swim team. Sebastiano enjoys writing and playing in his band. Alessandro loves his competitive soccer team and playing saxophone. Stefano loves reading and sports. Fabio, originally from Switzerland, is a neuroscientist and is in the process of launching his own company called "Hera" based upon an early detection system for pre-clampsia a form of toxemia of pregnancy characterized by hypertension and further complications. Fabio received his PHD in Molecular Biology from ETH in Zurich. Cynthia, originally from Los Altos Hills, is a graduate of UC Berkeley where she studied Human Physiology and Anatomy. She's worked mostly in Immunology and cancer research. Cynthia and Fabio met at Stanford University where they were working. Cynthia is currently completing her work for a Masters degree in Biology Education and tries to keep up with her boys by training for triathlons.

"Some people see things that are and ask, Why? Some people dream of things that never were and ask, Why not? Some people have to go to work and don't have time for all that." George Carlin
