Manager's notes...

We are having work done on the stairs leading up the to balcony. Please stay away from the stairs. Work may take a couple of weeks to complete due to extensive wood rot that was uncovered.

Lifeguards are to be obeyed at all times. They have been trained to observe/react, provide first aid assistance and CPR. When a lifeguard feels a child is having trouble swimming in the deeper end of the pool the lifeguard may ask the child to remain in the shallow area which is separated by a rope on busy days. Our lifeguards focus is on the pool, please do not approach a lifeguard unless there is an emergency.

A day camp at Fairbrae

“Build your own Electronic Gadgets!”

August 7 through August 11 8:30am to 4:00pm

For 6th, 7th, and 8th graders

This project-based camp is designed to develop problem solving and problem decomposition. Students will actively explore real world challenges and apply electronics and electrical engineering skills to solve the problem. Student will use award winning prototype tools and kits to create projects like “Home security alarm systems,” “Clapper Machines,” “Smart Doorbells”, “Anti-theft jewelry box” and “Automated traffic lights.”
