FAIRBRAE CUB SCOUT PACK 409

The time has come for Cub Scouts!

Fairbrae's Family Cub Scout Pack 409 is accepting applications. Sign-up your Boys and Girls in all grades (K – 4th), and join us for the new scouting year starting in August.

Cub Scouts is a year-round program that offers fun activities that promote character and leadership development. Our program is designed to be hands-on, and parents are encouraged to play an active role in our programs.

Scouting embraces the outdoors through camping, hiking and water sports. We also focus on helping our communities through service projects, STEM development and building confident kids through our wide range of activities. The Cub Scout program is designed to develop physical, mental and emotional fitness. Fitness includes the body (well-tuned and healthy), the mind (able to think and solve problems), and the emotions (self-control, courage, and self-respect).

Visit www.scoutingpack409.com for more information, or to join online.
Or, email recruiting.pack409@gmail.com for any additional questions!

We are happy to report that the clubhouse roof has been completed on schedule and went according to plan! Additionally, the tennis courts appear to be holding up wonderfully!

Thank you for your support, and keep an eye out for other projects on the horizon!
